

Cinco Sentidos

RESERVA MALBEC 2017

TASTING NOTES

Sight

Discover its intense deep red color with purple hues. Clean, deep and bright.

Smell

Perceive the delicate aroma. Ripe plums and cherries bring memories back to your heart. The wine rests in the glass, and vanilla and leather aromas, resulting from the ageing in oak, float into the air.

Taste

Feel the ripe plums in your mouth. Rediscover the cherries with just a smidgeon of caramel.

Touch

Feel the wine in your mouth. Let it seduce you. A deep yet delicate softness makes you think of velvet.

Hearing

Caress the glass where your wine is singing. Listen to it also singing in your throat, in the voices around you, in the honest and easy laughter of gathered friends.
